

STONER MORNING SHOW

HEADING TO A THEATER, COMEDY FESTIVAL, DISPENSARY,
LIVING ROOM and/or COMPUTER SCREEN NEAR YOU!

STONER MORNING SHOW is a parody of every local TV morning news show you've seen - except the hosts have overslept.

Plus they're totally "not stoned" but they **ARE** really "blown away" by all of these headlines, interviews, human interest stories & more!

Developed by friends / stand-up comedians / improvisors Lex Morales and Shawn Wickens - **STONER MORNING SHOW** is the result of countless hours of wondering, discussing and brainstorming the answer to the question: "What would be the most fun show for us and the audience?"

MISSION STATEMENT

To bring joy to the world. **STONER MORNING SHOW** allows us and encourages others to look at life through an optimistic filter of "YEAH!", "COOL!" and "WHOA!"

"It's CHEECH & CHONG meets GOOD MORNING AMERICA"
